

QUOTES FROM OMEA MEMBERS:

“(New Teacher) The OMEA mentor program is great. My mentor kept me from feeling alone in a faculty of non-musicians.”

“(College Teacher) All college faculty should keep up with what’s happening in elementary and secondary education. OMEA is the best place for me to see what’s happening ‘out there’.”

“(Elementary) Convention workshops charge my teaching batteries. They always offer something I can use immediately.”

“(New Teacher) I met SO many nice people at the October convention. They really made me feel part of the group.”

“The MENC web site is GREAT! I had no idea there was so much information there.”
